

# Tumbling Down

## Rationale

Tell me you don't need sympathy  
How can you live so cynically?  
All of this shade you're giving me  
Is killing me, killing me  
I don't know what you're fighting for  
Haven't you reached your pinnacle?  
One of these days you're gonna cave  
Into me, into me

I'll endeavour to keep you together  
Every piece of you, piece of you  
I'll give to you, give to you  
All of my love

Till your walls come tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down  
I'm keeping faith, I know that they'll come  
Tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down  
I'm keeping faith, I know that they'll come

Tell me you don't need sympathy  
Well, how can you live so cynically?  
You'll never change, I can't walk away  
It's killing me, you know, it's killing me  
Pain in your eyes I can't ignore  
All of your live invisible  
I'll help you climb, I need you to try  
I'll be there until you find peace in your mind

Tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down  
I'm keeping faith, I know that they'll come  
Tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down

Pressure on your shoulders weigh you down  
You've got every reason, it's alright  
Tell me, you don't need no sympathy  
Falling in, in and out of symmetry  
I will endeavour to keep you together  
No matter what you do or say those walls are coming down

Tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down  
I'm keeping faith, I know that they'll come  
Tumbling, tumbling down  
Tumbling, tumbling down (down)  
Tumbling, tumbling down  
I'm keeping faith, I know that they'll come

(Down, down, down, down, down)

(Down) I'm keeping faith, I know that they'll come
