And I'm looking for someone with a vengeance
And I know you were looking too
I think I found it in my sweet Melissa
I'm gonna tell you what I'm gonna do
Yeah she's my lover she's my friend
You don't even come close to that
Now I'm lookin for that invitation
And if you're lucky you'll get yours too

You kinda like me and I like that
You got me grinning like a cheshire cat
The way you love me I wouldn't bet
I'll tell you something it's as good as it gets

So you went looking for that wanted man And I know that I was part of the plan The way you love me I wouldn't bet I tell you honey it's as good as it gets She's like no other I can't pretend I'm gonna give her everything I can We slip and slide when I'm deep inside Come up for air gonna go for a ride

You kinda like me and I like that
You got me grinning like a cheshire cat
The way you love me I wouldn't bet
I'll tell you something it's as good as it gets

You kinda like me and I like that You're like a train running off the tracks You always work me up to a sweat I tell you honey you're as good as it gets YEAH!
