

# Round and Round

Ratt

Out on the streets, that's where we'll meet  
You make the night, I always cross the line  
Tightened our belts, abuse ourselves  
Get in our way, we'll put you on your shelf  
Another day, some other way  
We're gonna go, but then we'll see you again  
I've had enough, we've had enough  
Cold in vain, she said

I knew right from the beginning  
That you would end up winnin'  
I knew right from the start  
You'd put an arrow through my heart

R: Round and round  
With love we'll find a way just give it time  
Round and round  
What comes around goes around  
I'll tell you why

Dig

Lookin' at you, lookin' at me  
The way you move, you know it's easy to see  
The neon light's on me tonight  
I've got a way, we're gonna prove it tonight  
Like Romeo to Juliet  
Time and time, I'm gonna make you mine  
I've had enough, we've had enough  
It's all the same, she said

I knew right from the beginning  
That you would end up winnin'  
I knew right from the start  
You'd put an arrow through my heart

Round and round  
With love we'll find a way just give it time, time, time, time  
Round and round  
What comes around goes around  
I'll tell you why, why, why, why  
Round and round
