

# Perfume

Rauf & Faik

I feel your perfume  
Even when don't want to  
Even when don't want to  
I know you're perfect  
Even when I hate you  
Even when I hate you

I feel your perfume  
Even when don't want to  
Even when don't want to  
I know you're perfect  
Even when I hate you  
Even when I hate you

In the morning  
I feel the crying sun  
You loved me  
And honey I loved you too

In the morning (In the morning)  
I feel the crying sun  
You loved me (You loved me)  
And honey I loved you too

Mmm baby baby  
You  
Mmm lady lady  
You and I
