Ramadan
Muhammad, Muhammad

Ramadan
Muhammad

Allah
You are not alone
Together we will be strong
So grateful Alhamdulillah
United in faith in Allah
God made us able to see
To look at those who struggle
And please, please
May they be blessed
May they be blessed
May they be blessed
May they be blessed

Ramadan
Muhammad, Muhammad
Allah

Save your heart to make you stronger
Don't let hate stay any longer
Let the good in you come shining bright

We come one on Ramadan
For all His mercy er-Rahman, yeah, yeah, yeah
In the name of God
We come one on Ramadan
For all His mercy er-Rahman, yeah, yeah, yeah
In the name of God
We come one on Ramadan
For all His mercy er-Rahman, yeah, yeah, yeah
In the name of God (In the name of God)
In the name of God, yeah
In the name of God

Ramadan
Muhammad, Muhammad
Allah
Ramadan
Muhammad, Muhammad
