? Away
?
From All of the games
The games that they play

I'm gone find a way
I'm gone find escape
I won't hide the pain
I won't hide my name
I know I will change
?

I won't hideaway
I know I'm the king
So don't cry today
It flows in?
I know I'm the king

Captured?
Cowardly named
Ceased?
Know I can get
Control...

I won't hideaway
I won't hide a thing
The things that they stole
The? I know
I know I'm a?
I know I'm a?
Believe me I won't
Believe what I'm told
