

# In Due Time

Raury

Only as I roll my smoke  
Only as I fold my clothes  
One black eye, my glasses broke

Didn't mean to lose control  
Didn't mean to lose control  
You know how I love your soul  
(Love your soul, love your soul)  
That nigga won't save your soul

And if you left me all alone  
In time, na-na-na, na-na-na, na-na-na  
I guess I'll find this love next time  
Na-na-na, na-na-na, na-na-na  
'Cause we all know  
[?] is gonna take time

One night on the countryside  
(Countryside, countryside)  
Guess I'm gonna stay the night  
(Stay the night, stay the night)  
Constellations blaze the sky  
(Blaze the sky, blaze the sky)  
Tell me everything: a lie  
(Tell me everything: a lie)  
When you told me stay behind  
(Stay behind, stay behind)  
Now I know what pain is like  
(Pain is like, pain is like)  
I was chasin' fireflies  
(Fireflies, fireflies)  
Who knew I would lose my life?  
(Who knew I would lose my life?)

And if you left me all alone  
In time, na-na-na, na-na-na, na-na-na  
I guess I'll wait for this love next life  
Na-na-na, na-na-na, na-na-na  
'Cause we all know this  
Kind of love transcends time, yeah

Well it's alright baby

I want [?]  
This love

And if you left me all alone  
In time, na-na-na, na-na-na, na-na-na  
  
Na-na-na, na-na-na, na-na-na
