

There

Raury

I'll be right there for you
Said I'll be there for you
I'll be right there for you
I said I'll be there (oh)

Spend some time
Spend some time alone away from me
I needed time
I needed time to be alone

In my mind
You haunt my dreams my thoughts my fantasies

Won't you dance with me

Won't you dance with me

I'll be right there for you
Said I'll be there for you
I'll be right there for you
I said I'll be there
Ahh

I had to leave
I had to do what best for you and me
I don't know when
I don't know when I will return (ooooo)

But then again
You know that I would never leave you alone
Even when I'm gone
Never let you go

I'll be right there for you
Said I'll be there for you
I'll be right there for you
I said I'll be there (oh)
