

UFO

Raury

Huh, huh, yeah
Huh, huh, yeah, let's go
Yeah, right, huh, yeah
Now let that

On the replay
On the replay
On the replay

Yeah, huh
See I been livin' in out a spaceship, spaceship
I'm talkin' 'bout a UFO, oh, oh
The destination, location no tellin' where it's gonna go
It's unknown, you would know, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
You would know, you would know, you would

Huh, darling so if you fuckin' with me
Darling, darling so if you fuckin' with me
Darling, darling so if you fuckin' with me
Darling, darling say you so occupied, I can't deny to keep it together, yeah
See how could I not love you?
How you could I not think of sinkin' this spaceship to abduct you?
You don't like it when I'm leavin'
You say that I can't trust you
You jump to the conclusions and
You say that I just fuck you and I am not above you

See I been livin' out a spaceship, spaceship
I'm talkin' 'bout a UFO, oh, oh
The destination, location no tellin' where it's gonna go
It's unknown, you would know, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
You would know, you would know, you would know

Yeah
I tend to find that, time always rewinds back
'Specially when you're in my head, thinking, reflecting back to the times th
at
Worried of not being the greatest but see you made it, fuck all the times an
d
Ages niggas were hatin' and now they want favors tryna get time back
Wait my nigga, I'm slaving, just like you slaving, don't you realize that?
Crazy, I could go crazy by the next day if I do not find that
Space [?] demons I chased away since they crawled back
[?] the dead, back to the cages, they never come back
I used to be a kid in the back
Of a schoolbus full of black
Badass kids we doing bratty ass shit when the teachers say something talk ba
ck
Now I spit shit like a yak or llama
People think I'm god 'cause I got a couple commas
And my songs are approved by a Dalai like Lama but I'm just a teenager with

a mac

(Fuck my friends, yeah
And now I'm livin' with it baby
See now I'm livin' with baby, yeah)

See I been livin' in out a spaceship, spaceship
I'm talkin' 'bout a UFO, oh, oh
The destination, location no tellin' where it's gonna go
It's unknow, you would know, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
Ha, ha, ha, you would know
You would know, you would know, you would
