And that's that

Them bops wanna shop

She beggin a young nigga not to stop

Pull op then I drop  
Off the box  
Pull up then I drop of the box  
Just like I'm Amazon  
I stop all my shop n I drop  
You thought nigga naw  
Give applause

We don't not talk to ops  
We don't not talk to ops  
We don't not talk to ops (that's on god)  
Don't got no statements, don't got no thoughts

Ok I might roll a dice  
I'm type poltergeist in the night  
Da pipe make a dike be my wife  
I told her live ya life  
N flight and I'm high as a kite  
I slide like I'm mike  
I'm my Nike

You gonna need some ice  
I might put ya pride I'm some rice  
I told you this once  
And I don't  
Prefer to say it twice  
I like what I like what I like  
If you sit beside me you might

Just wan enjoy the ride  
Just gon enjoy the ride  
Just gon enjoy the ride
