Flood my ice, make a ho blush
Back at the tour bus, gettin' caught up
DSquared got 'em distressed, gotta hand wash
New racks with the old Nikes in the shoe box (No)
Keep my stripes, no cuffs
Pull up in a new plate and she might just
She weren't tryna move bait when our eyes locked
New tints on the coupé, that's her head lost
Off my whites, right my wrongs
Gucci my mum, while you diddle your thumbs (Oh, oh, oh)
Count my sums, this is gonna get long
Love my green, I'm tryna get strong
Tryna get bun, where I'm from, it's on
Yes, man, don't take no dumb, threats
They see funds, they hop, fence
We been up, not up, next

Don't rush, slow touch (Oh)
Brown and white, like I go cunch (Ey)
Grab and buy, make 'em go bust (Buss)
Eye for eye (Ey), make 'em lose trust (Ey)
White rum, fizzy pop
Por la entrada de atrá' entramo' al club
A ese tonto, no, se le dice que no
¿Pa' qué llevarme a una si puedo con do'? (Ey)
