

## Exit Babylon

### Rave the Requiem

The beast, she roars and hungers for more  
She devours all things sacred and pure  
The beast, the call, she gathers us all  
We are marching on through Babylon's halls

I've played along and I've done it well  
I dream sweet dreams watching you burn in hell  
It's time to let it out, I feel it coming  
I see the light

I will never give in to the voices within  
I can walk through the fire and brimstone  
I will pray, disobey, I will find my own way  
As I'm walking through fire and brimstone  
And I will exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh  
Yeah, I will exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh, oh

The beast, she brings me down to my knees  
Got myself to save yet no-one to please  
The beast, the queen, whatever may be  
She will never kill my will to be free

I've played along and I've done it well  
I dream sweet dreams watching you burn in hell  
It's time to let it out, I feel it coming  
I see the light

I will never give in to the voices within  
I can walk through the fire and brimstone  
I will pray, disobey, I will find my own way  
As I'm walking through fire and brimstone  
And I will exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh  
Yeah, I will exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh, oh

Oh oh oh, oh oh oh, oh oh oh, oh  
Oh oh oh, oh oh oh, oh oh oh, oh

Exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh  
Yeah, I will exit, exit Babylon  
Oh oh oh, oh oh oh, oh oh oh, oh oh oh, oh  
Yeah, I will exit, exit Babylon  
Oh oh oh
