

Ek, do, teen, char  
Chalo nah mere sath  
Sath, ath, nau, das  
Daro mat, oh

Playing hide-and-seek in the garden  
Come on, baby, finish what we started  
Every day, they got no time for playing  
I just wanna be misbehaving

Zindagi ki kismet, kismet  
Zindagi ki kismet, kismet  
Zindagi ki kismet, kismet  
Zindagi ki (Ah)

Taking all our tops off  
Come into the water  
God, I love my women  
Let's all become farmers  
If it feel good, it's probably right  
Take me in the temple of your mind  
I think that she's from another world  
Way she speaks of loving is so pure

Playing hide-and-seek in the garden  
Come on, baby, finish what we started  
Every day, they got no time for playing  
I just wanna be misbehaving

Zindagi ki kismet, kismet  
Zindagi ki kismet, kismet  
Zindagi ki kismet, kismet  
Zindagi ki (Ah)

All my friends are high today  
All my friends are high  
All my friends are high today  
All my friends are—

Zindagi ki kismet, ah  
Zindagi ki kismet  
Zindagi ki kismet, ah  
Zindagi ki kismet, ah
