Hey yo Mac
Yeah
I don't think they're ready for this
Na na

Hey yo, all I want is one beat
One song, one rhyme, just one verse
With one line, one time
Cause I'm here to spread the word
It ain't what you see, yo, it's what you heard
So c'mon, c'mon, c'mon, c'mon
It don't matter who are just c'mon
White, black, brown, Puertorican, or Hajen
It don't matter who you are, we one hip hop nation
So c'mon, c'mon, c'mon, c'mon
If you like it what we're saying, then c'mon
We can turn the party out, make the people scream and shout
And then my DJ's gonna do his thing

Uh huh, yeah
DJ cut & cut, cut em up
Yeah, uh

C'mon, c'mon, c'mon, c'mon
If you like it what we're doing, then c'mon
We can turn the party out, make the people scream and shout
And then my DJ's gonna do his thing

C'mon, c'mon, c'mon, c'mon
If you like it what we're saying, then c'mon
We can turn the party out, make the people scream and shout
And then my DJ's gonna do his thing

Uh, woo
Hey, yo Mac
Yeah
Man I told ya they wasn't ready for this
Ah ha, ah ha, ah ha
One love (one love)
Yo, yeah
