

Left Behind

Raven-Symoné

(Yeah, yeah, yeah...)

Fuck with those emotions y'all...

Kinda emotional but I'm really not
Kinda rational till the feeling drop
Gone all left to right till I don't care

Cause I'm vulnerable, I'm visible, I'm searing in your eyes
I'm making up for all the times that I degraded your mind
I'm vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes
(I'm left behind)

Cause I'm vulnerable, I'm visible, I'm searing in your eyes
I'm making up for all the times that I degraded your mind
(I'm left behind)

I'm vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes

Feel the situation get me in and out
Knowing that this moment got me freaking out
Contemplating things that I feel I should care
No more letting go cause of feelings (no)
Always in my mind till I feel it (tho)
Gonna let it rise till I don't scare (care)

Cause I'm vulnerable, I'm visible, I'm searing in your eyes
I'm making up for all the times that I degraded your mind
I'm vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes
(I'm left behind)

Cause I'm vulnerable, I'm visible, I'm searing in your eyes
I'm making up for all the times that I degraded your mind
(I'm left behind)

I'm vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes

Finger to your lips put your hands in the air
Bring it to your hips cause it's not sincere
Doing many things cause I really don't care
Finger to your lips put your hands in the air
Don't bring it to your hips it's not sincere
Doing many things cause I really don't care
(Care)

Cause I'm vulnerable, I'm visible, I'm searing in your eyes
Making up for all the times that I degraded your mind
(I'm left behind)

Vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes
I'm vulnerable, I'm visible, I'm searing in your eye's
Making up for all the times that I degraded your mind
(I'm left behind)

Vulnerable, I'm visible, I'm searing in your eyes, your eyes, your eyes...
