

People Make The World Go Round

Raven-Symoné

Trash cans sittin' cause it's trash day
Ohh, why because they want more pay
Buses on strike, gonna raise the fair sooo they can help pollute the air
Ooh

But that's what makes the world go round the ups and downs, a carousel
Changin' people's heads around go underground railroad
People make the world go round
People make the world go round

Teachers on strike, no more school today
They want more money but the board won't pay
Everyone's talkin' 'bout ecology
The air is so polluted that it's hard to breathe

But that's what makes the world go round the ups and downs, a carousel
Changin' people's heads around go underground railroad
People make the world go round
People make the world go round
