

# Undecided

Raven-Symoné

I'm uncomfortable doesn't seem like me  
I'm a bit confused don't know what the think  
Just a love affair, sweetest design  
And to hold you there on the horizon  
It's crystal clear, not undecided, ooh

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I got a message from my yesterday  
It reminded me why I ran away  
And the reasons cause my love got taken to you, to you  
It's a miracle that I believe in trust  
Same way that I believe in love  
So why am I coming back to this side with you, with you

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ask myself, bubbly or do you have thick skin  
I ask myself, cause normally  
I'll be home biting  
I'll be home biting

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I ain't waiting for the end  
I ain't waiting for the end  
(I'm undecided)

I'll be home biting
