

Crash Bang Wallop

Raven

Roller coaster running off the rails.
When she blows it never snows it hails.
Paralyzing venom in her sting.
Screaming murder throwing everything.

Hit & run easy ride, Dr. Jekyll Mr. Hyde
Let me out let me go, power pack overload.
I don't want you coming back crawling after me.
1,2,3,4 gonna make run make a bolt for the door oh no!

Crash Bang Wallop, here we go!
Crash Bang Wallop, hold on tight!
Crash Bang Wallop, shoot to kill!
Crash Bang Wallop, what a sight!

Early morning creeping into bed.
20 questions bouncing off my head.

Hit & run easy ride, Dr. Jekyll Mr. Hyde
Let me out let me go, power pack overload.
I don't want you coming back crawling after me.
1,2,3,4 gonna make a run make a bolt for the door oh no!

Crash Bang Wallop, here we go!
Crash Bang Wallop, hold on tight!
Crash Bang Wallop, shoot to kill!
Crash Bang Wallop, what a sight!

(Solo)

Don't you know you're pushing me too hard.
For every sleepless night I've got a scar.

Hit & run easy ride, Dr. Jekyll Mr. Hyde
Let me out let me go, power pack overload.
I don't want you coming back crawling after me.
1,2,3,4 gonna make a run make a bolt for the door oh no!

Crash Bang Wallop, here we go!
Crash Bang Wallop, hold on tight!
Crash Bang Wallop, shoot to kill!
Crash Bang Wallop!
