

Kangaroo

Raven

Think that you're the chosen ones
Heavier than thou
said that you'll re-write the book
But you're illiterate so how
Don't want to hear your attitude
Don't need to hear your bitch

I wanna see who's gonna follow
Here today and gone tomorrow

I don't wanna I don't wanna
I ain't gonna be your kangaroo
I ain't gonna I ain't gonna
You ain't gonna put me in your zoo
I don't wanna I don't wanna
I ain't gonna be your kangaroo

Empty vessels make the greatest noise
And boy you're deafening
Lowest common denominator
Take the money and see you later
Go jump on the bandwagon
You're headed for a fall

I wanna see who's gonna swallow
You ain't gonna see me follow

I don't wanna I don't wanna
I ain't gonna be your kangaroo
I ain't gonna I ain't gonna
You ain't gonna put me in your zoo

I ain't playing by your rules
Find yourself another fool
And when your ship goes down
No-one will recall a sound
And you'll be running outta town

Cornholed and potholed
with nowhere to hide
When they'll look back at you
They'll just think your brains were fried
Jump upon the gravy train
before it leaves this town
Your 15 minutes almost up time
You were going down

I wanna see who's gonna follow
Tattooed now and gone tomorrow

I don't wanna I don't wanna
I ain't gonna be your kangaroo
I ain't gonna I ain't gonna
You ain't gonna put me in your zoo
I don't wanna I don't wanna
I ain't gonna be your kangaroo
I don't wanna I don't wanna

I ain't gonna be your kangaroo
