

## Ageless Existence

Ravenous

Headless corpse  
Drained of life  
Zodiac reberth  
Catatonic posession  
Souls are dying  
In the house of god  
Leper perversion  
Save your servant

Vials of blood  
Precision death  
Shapeshifting from  
Ageless existence

Infinite power  
Grotesque crusade  
Sleeping darkness  
Beyond the grave  
Parchment bleeding  
A serpent's touch  
Angels mourning  
Skies rotting above

Vials of blood  
Precision death  
Shapeshifting from  
Ageless existence
