

## Be the Same

Ravenscode

Now I'm hoping that there comes a day when you're by my side  
Even though it's hard to think of what might happen along that  
ride  
I must have rehearsed it a thousand times in my head  
I come to learn it's easier thought than said, thought than said

Cause I'm running through this life as I begin to fade  
And I'm hoping to resolve all the things I've done and mistakes  
I've made  
I'm sorry for the things that we can not work out, oh I know I  
know  
It won't be the same, be the same

And I don't know what has brought me here in its place or what  
is on my mind  
Are my thoughts too strong to feel this tune or is it worth a try  
My heavy head is constantly weighing me down  
The only thing is you never knew, you never knew

That I'm running through this life as I begin to fade  
And I'm hoping to resolve all the things I've done and mistakes  
I've made  
I'm sorry for the things that we can not work out, oh I know I  
know  
It won't be the same  
It's the end of me  
It's the end of me

I'm sorry for the things that we can not work out, oh I know I  
know  
It won't be the same  
It's the end...  
(That I'm running through this life as I begin to fade  
And I'm hoping to resolve all the things I've done and mistakes  
I've made  
I'm sorry for the things that we can not work out, oh I know I  
know  
It won't be the same)  
Be the same
