Ravenscode

The fire  
The fire  
The fire  
The fire  
The fire  
The fire  
The fire

I can't tell you how this pain that I've caused  
It pushes me to lose my mind  
And this just might be the end of you and I  
But don't you worry, I'll be fine, because

I am fire and I'm here to burn this place down  
Better back away and hide your eyes  
As I burn brighter, let the flames embrace me now, 'cause  
I am fire tonight

Clouded judgment is all that I've known  
Because my head is filled with smoke  
And for your sake I think it's best that I'm alone  
You think you've seen it all, but you don't know, that

I am fire and I'm here to burn this place down  
Better back away and hide your eyes  
As I burn brighter, let the flames embrace me now, 'cause  
I am fire tonight

The fire  
The fire  
The fire  
The fire  
The fire  
The fire  
The fire, oh

You want the fire  
You need the fire  
You breathe the fire  
You feed the fire  
Bring on the fire

I am fire and I'm here to burn this place down  
Better back away and hide your eyes  
As I burn brighter, let the flames embrace me now, 'cause  
I am fire tonight

Yeah, I am fire  
Yeah, I am fire tonight  
The fire  
The fire  
The fire  
The fire  
The fire  
The fire  
The fire

You want the fire  
You need the fire  
You breathe the fire  
You feed the fire  
Bring on the fire
