

# My Lies

Ravenscode

Replay, this story  
Of just how you gave your love away  
I can't say, that I'm sorry  
When we both knew it would be this way

You're look, and my lies  
It's your heart I'm stealin'  
I know you can't hide, just how your feelin'  
Well I just don't feel the same, but I'll keep up this disguise  
Your look, your look  
And my lies

Hold on, for a second  
Because I love to see how far you'll go  
For long, your falling  
But there's something I think you should know

You're look, and my lies  
It's your heart I'm stealin'  
I know you can't hide, just how your feelin'  
Well I just don't feel the same, but I'll keep up this disguise  
Your look, your look

You're look, and my lies  
It's your heart I'm stealin'  
I know you can't hide, just how your feelin'  
Well I just don't feel the same, but I'll keep up this disguise  
Your look, your look

You're look, and my lies  
It's your heart I'm stealin'  
I know you can't hide, just how your feelin'  
Well I just don't feel the same, but I'll keep up this disguise  
Your look, your look

Your look, your look  
(It's your heart I'm stealin')  
My lies, my lies  
(Just how you're feelin')  
I just don't feel the same, but I'll keep up this disguise  
Your look, your look  
And my lies
