

# From Scratch

Ravyn Lenae

Don't ask me why  
The future's out my hands  
I'm not one for superstition  
Rain or sunshine  
Things don't go to plan  
With you I got tunnel vision

Mountains caving in  
We can start again  
Just as long as you got me and I got you  
Oceans overflow  
When it's time to go  
Just as long as you got me and I got you

Oh, I got you  
Just as long as you got me and I got you

Baby, you the flame to my fire  
I can't seem to get enough  
Then when things are getting rough  
We be swimming dangerous waters  
You don't need to worry 'cause  
All I ever wanted was time  
So don't take it from me  
'Cause it's all that I need  
Don't gotta get down on one knee  
To know you're for me

Mountains caving in  
Mountains caving in  
We can start again  
We can start again  
Just as long as you got me and I got you  
Oceans overflow  
Oceans overflow  
When it's time to go  
When it's time to go  
Just as long as you got me and I got you

Oh, I got you  
Just as long as you got me and I got you

I do, it's you  
I do, it's you  
I do, it's you  
I do, it's you  
I see your face like déjà vu  
It's you, it's you  
There ain't no other way, no

Mountains caving in  
We can start again  
I ain't got no other plans  
And on and on and on and on  
As long as you got me  
Just as long as you got me and I got you
