

Higher

Ravyn Lenae

Nobody knows
I'm tucked inside of my windowpane
Watchin' my shows
I'm simplified and I can't complain
So there's no getting-

Higher, higher, higher
No higher (Higher, higher, higher)

(I want them to have a half moon, half sun)
(One half, it has sun, and the other half has the moon)
(And it's still rotates like the earth)
