

# Last Breath

Ravyn Lenae

You said pro-life  
Took never twice  
Lookin' like (Lookin' like you want to stay)  
I won't make it (But you raise the dead)

You can play my number  
I'll say there's no other  
God say, around me, understood  
If you understand that  
You're on someone's plan  
And you never, never, never find the words to say  
But there's no other way

Why, oh why, you waste your last breath?  
Why, oh why, you waste your last breath?  
This is not a test  
You got to let me know right now, right now  
Are you gonna show right now, right now?  
Got to let me know right now, right now  
Are you gonna show right now, right now?  
Oh, but are you willing  
To sacrifice your life?  
Are you willing?  
But are you willing  
To sacrifice your life?  
Are you willing  
To give it up tonight?

You said pro-life  
Took never twice  
Lookin' like (Lookin' like you want to stay)  
I won't make it (But you raise the dead)

You can play my number  
I'll say there's no other  
God say, around me, understood  
If you understand that  
You're on someone's plan  
And you never, never, never find the words to say  
That there's no other way

Why you begging me to shoot you?  
There's no other way  
Whiter than  
Why you-  
There's no other way  
Why you begging me to shoot you?  
There's no other way  
Whiter than  
There's no other way

Please let me know if you wanna go, hmm  
Please let me know if you wanna go, hmm
