

# Like You Do

Ravyn Lenae

Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do  
Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do

I can't imagine a morning without you  
Everybody knows (Mmm)  
You keep me balanced when I'm feeling challenged  
And I know it's yours, and you feel the same way too

Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do  
Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do  
Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do  
Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do  
Ooh, you sing it like you do  
You do, like you do  
You sing it like you do  
You do
