M.I.A.

Ravyn Lenae

M.I.A., yeah
I'm gonna run the town, ain't nothing in my way, way
If I miss the sun go down, might go to M.I.A., M.I.A
I wanna make my debut (But just for the night)
You make me sound like I'm new (You recognise it)
Can't help but know it's not in your control

Chasing a night I won't forget (Won't forget)
I live with no regrets (No regrets)
Can't let them hold me back (Hold me back)
Man set it off I'm not there yet
Slow down, can we move like that?
Keep me on the tempo

I'm gonna run the town, ain't nothing in my way, way
If I miss the sun go down, might go to M.I.A., M.I.A
Am I the one of this crowd?
Think that may be the case, case
Right when you see me round, might just go M.I.A., M.I.A

Oh, I got a feeling
Let's keep the motion
Since you're my baby
This is my moment
Don't need a reason
I'll be there, I'll be there
In the Shadow to LA
I don't care
They wanna get to know you
They wait until you show you
I'm the one when I'll try and it's easy to do when I'm with you
(When I'm with you)

I'm gonna run the town, ain't nothing in my way, way
If I miss the sun go down, might go to M.I.A., M.I.A
Am I the one of this crowd?
Think that may be the case, case
Right when you see me round, might just go M.I.A., M.I.A

Oh, I got a feeling
Let's keep the motion
Since you're my baby
This is my moment
