

Satellites

Ravyn Lenae

We can fly anywhere you like
You and I (You and I)
We'll go high, touchin' satellites
So let's ride, so let's ride

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh

I just wanted to say that
I been thinkin' 'bout way back home
You we're one of my best friends, yeah
Never wanted to change that at all

(I want it, you want it)
(I say we-) Bring this back around
(So close, it's unspoken)
(Why can't we take this off the ground?)

We can fly anywhere you like
You and I (You and I)
We'll go high, touchin' satellites
So let's ride, so let's ride

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh

What you feel like?
Call me when you need a midnight (Mmm, yeah)
Beat the sunlight
Gravity can't even defy
Been around, been to different places
Been a while since I seen your face, I know
Maybe now we can fill those spaces
I wanna-

(I want it, you want it)
(I say we-) Bring this back around
(So close, it's unspoken)
(Why can't we take this off the ground?)

We can fly anywhere you like
You and I (You and I)
We'll go high, touchin' satellites
So let's ride, so let's ride

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ahh, oh-ahh

I say we bring this back around
Why can't we-
La, la, la, ooh

(La, la, la, ooh) I say we bring this back around
La, la, la, ooh
La, la, la, la-la-la-la-la, la
La, la la, ooh
La, la la, ooh
La, la la, ooh
La, la, la, la-la-la-la-la, la
La, la la, ooh
La, la la, ooh
La, la la, ooh
La, la, la, la-la-la-la-la, la
