I'm only lonely
When the night is home
Controlling for me
'Til my right is wrong
Nothing's the way it seems
When things go wrong
I know me, know me
I cannot move on
I cannot move on

Everytime I
Close my eyes I
Dream about your face
Nothing can replace

Every time I
Close my eyes, your
Voice I can't retrace
Nothing can replace
Nothing can replace

I know you told me that you won't be long
Time-lapse and I'm trapped in another's arms
(Oh-oh-oh)
I am too cold, I long for your warmth
I'm not me, got me
I cannot move on
I cannot move on

(far, far)
Far away
I'm all alone
I'm all alone
Why you make me wait
I'm on my own
I'm on my own

Far, far, far, far
Far away
(I'm on my own, I'm on my own)
Why you make me wait
I'm on my own
I'm on my own

I'm only lonely
When the night don't hold me
I long for a warning
Won't you let me know
I'm only lonely
When the fake sh- on me
Don't turn on me, hold me
I cannot move on
I'm only lonely
When the night don't hold me
I long for a warning
Won't you let me know
I'm only lonely

When the fake sh- on me
Don't turn on me, hold me
I cannot move on
