

Where I'm From

Ravyn Lenae

No, no, no-no, no, no
No, no, no-no, no, no
No, no, no-no, no, no

Thinking of where I'm from deep in the night
Dreaming of where I'm from all my life
Watching who I've become, who's my drive?
Dreaming of where I'm from, na-na-na

Oh (Na, na-na, na, na)
Oh, oh-oh
Oh (Na, na-na, na, na), ooh
Oh, ooh-ooh-ooh
Oh (Na, na, na), ooh-ooh
Oh (Ah-ah-ah-ah-ah)
Oh (Na, na, na), ooh-ooh
Oh (Ah-ah-ah-ah-ah)

As a girl I dreamed about it
Maybe if I was queen, I'd wear it so-so
Whisper me my name, so I can (Yeah)
Hear my people sing whenever I'm lost
I wanna testify
Meet me at your direction
It was my birthright
Give me the right direction
Yearning sea to sea (Like a parallel Santa Claus, yeah)
Watch me spread my wings (Catfish straight to Panama, yeah)

Thinking of where I'm from deep in the night
Dreaming of where I'm from all my life
Watching who I've become, who's my drive?
Dreaming of where I'm from, na-na-na

Morning light hits my ceilin'
Tell the sky I'm still dreamin'
Got my blood, it runs like a river through my veins
And it sounds like a thousand memories
When I touch that place
Peace is an ancient feelin'
And the sound it makes
Secrets the soil's keepin'
And it sings to me
Sweetest melody, ooh-ooh, ooh-ooh, ooh, ooh

Thinking of where I'm from deep in the night
Dreaming of where I'm from all my life
Watching who I've become, who's my drive?
Dreaming of where I'm from, na-na-na

Oh (Na, na-na, na, na)
Oh, oh-oh
Oh (Na, na-na, na, na), ooh
Oh, ooh-ooh-ooh
Oh (Na, na, na), ooh-ooh
Oh (Ah-ah-ah-ah-ah)
Oh (Na, na, na), ooh-ooh

Oh (Ah-ah-ah-ah-ah)

That was so loud you gotta feel it

That was so loud you gotta feel it

Those were found, now you gotta keep it

Those were found, now you gotta keep it
