

Living In Fear

Raw Power

in the house, trapped like a mouse
in my room, feels like a tomb
in my bed, dreams are all bad
in the dark, i fall apart
go to school, think I'm a fool
on the street, I can't breath
when I'm with you, don't know what to do
when I'm alone, I always moan
LIVING IN FEAR, MY END IS NEAR
ALL ALONE, ME AND MY FEAR
all my friends, think I'm strange
for my parents, I'm an embarassments
to the law, I cannot bow
to a priest, I'm like a beast
LIVING IN FEAR, MY END IS NEAR
ALL ALONE, ME AND MY FEAR
