

## Nihilist

Raw Power

Nihilist, I haven't got your falseness  
I've seen your hateful look  
Nihilist, I've got no values  
I seek repair in death  
Nihilist I'm not asking your compassion  
I won't kneel in front of you  
Nihilist, Nihilist, Nihilist  
Nihilist, I don't give a f\*\*king shit  
Nihilist, I won't kneel in front of you  
Nihilist, I don't give a f\*\*king shit
