

Shame

Raw Power

why don't you show your face
you bring shame to the human race
your posh clothes are soaked in blood
your wealth means people face down in the mud
I JUST WANNA SEE YOUR FACE
I JUST WONDER SEE IF YOU ARE ASHAMED
thousand of people hoping for salvation
millions of children dying of starvation
your bank account grows bigger and bigger
I think you're getting sicker and sicker
I JUST WANNA SEE YOUR FACE
I JUST WONDER SEE IF YOU ARE ASHAMED
why don't you show your face
you bring shame to the human race
your bank account grows bigger and bigger
I think you're getting sicker and sicker
