

Wake Up

Raw Power

stop that sleeping all time
wake up wake up wake up wake up
you'll have to face it sometime
wake up wake up wake up wake up
can't get bossed around all the time
wake up wake up wake up wake up
put your foot down today
wake up wake up wake up wake up
TIME IS UP, GOTTA WAKE UP
look lively when i'm talking to you
wake up wake up wake up wake up
is there life left inside you
wake up wake up wake up wake up
who are you trying to fool
wake up wake up wake up wake up
looking stupid it's not really cool
wake up wake up wake up wake up
TIME IS UP, GOTTA WAKE UP
