

(Yeah, yeah, yeah)

Love me, love me
Say that you love me
Call me, call me
You never do
Money, money
Always above me
You're too busy selling food
Now are you really ready?
Or are you wasting my time?
Cause if you ain't tryin' to wife me
You need to get off my line

Don't make me beg
Don't make me beg
Don't make me beg
Don't make me beg
Cause I want you
Yeah, I want you
Yeah, I want you
Yeah, I want you

50/50, that's all you give me
And I give 100 to you
Take away, we don't go for dinner
Making love, no we barely do
But if you really want me
You gotta step up you're game
You better make it quick
Before I don't feel the same

Don't make me beg
Don't make me beg
Don't make me beg
Don't make me beg
I want you
Yeah, I want you
Yeah, I want you
Yeah, I want you

Got me stressin', got me beggin'
Feeling like I'm just your bredrin
Got me stressin'
Oh boy, you do my head in
You got me stressin'
Feeling like I'm just your bredrin
Just your bredrin
Just your bredrin

(Yeah)
(Yeah, yeah, yeah, yeah, yeah, yeah)
(Yeah, yeah, yeah)
Cause I want you
Yeah, I want you
Yeah, I want you
Yeah, I want you
Yeah, I want you
