RAY BLK

New niggas on my line
I just ain't got the time
I gotta stay up on my grind
My errors made me learn
That my love, it should be earned
I can't invest without return
Look how you made me
The consequence of being broken-hearted
I'm obligated to tell the ladies,
Fuck these boys and get up on your bag sis
I'm protecting my peace
All of my exes I block and delete
Disloyalty ain't attractive to me
You don't do it for me, you don't do it

Seeing me less is cuz I'm doing more
If it ain't money and then I hit ignore
My mental health can't be compromised
You don't do it for me, you don't do it

Tell me what you tryna do
Cuz when I meet somebody new
It's always in the back of my mind, mind, mind
Always in the back of my mind, mind, mind
Every time I look at you
I wonder if it's really true
It's always in the back of my mind, mind, mind
Always in the back of my mind, back of mind

Put you on a pedestal
You put me on a mantle
I put you first I didn't even have to
I've been acting foolish
Dressing like a nudist
Truth is baby I've been going thought it
I put you on, put you on a high, put you on a timeline
Put you on a gram, put you in the limelight
I'm so stupid
Look how you got me moving
I'm done with me and you so now
I'm chucking up the deuces
Yeah
Now I'm the one let you get away
Bad bitches don't come around every day

Seeing me less is cuz I'm doing more
If it ain't money then I hit ignore
My mental health can't be compromised
You don't do it for me, you don't do it

Tell me what you tryna do
Cuz when I meet somebody new
It's always in the back of my mind, mind, mind
Always in the back of my mind, mind, mind
Every time I look at you
I wonder if it's really true
It's always in the back of my mind, mind, mind

Always in the back of my, back of mind
