

Don't Beg

RAY BLK

Don't cry, don't beg
Don't cry, don't beg for me
Don't cry, don't beg
Don't cry, don't beg for me

My fake smile
Its all good, I believe it
My fake laugh
Gets louder every time
I'm so fake
But you never see it
You're so blind
That you think we're fine

But I'm sick of us, sick of love
I'm sick of sweepin' under rugs
I'm sick of you, sick of me
I'm so sick of settin'
I'm sick of actin' alright
I'm so sick of bein' out of sight
I'm sick of low, sick of woes
I'm so done, you gotta go

Don't cry, don't beg
Don't cry, don't beg for me
Don't cry, don't beg
Don't cry, don't beg for me

'Cause I'm bigger, better
Brighter, higher
Wiser, harder
Stronger, no longer yours
No, no, no longer yours

Don't bruise time
And you look so pathetic
'Cause I'm done
You promised that you'll change
Now I'm gone
So apologetic
Won't be long
Before you're just the same

But I'm sick of us, sick of love
Sick of sweepin' under rugs
I'm sick of you, sick of me
I'm so sick of settlin'
I'm sick of actin' alright
I'm so sick of bein' out of sight
I'm sick of lows, sick of woes
I'm so done, you gotta go

Don't cry, don't beg
Don't cry, don't beg for me
Don't cry, don't beg
Don't cry, don't beg for me

'Cause I'm bigger, better
Brighter, higher
Wiser, harder
Stronger, no longer yours
No, no, no longer yours

You had me watchin', all the bitches so insecure
Thinkin' if my ass bigger you would love me more
But fuck that nigga, I'm a rare diamond
Get your Ray-Ban's on 'cause I'm shinin', ah
To the left, got me quotin' Beyonc
My name ringin', you wish I was your fianc
Gave you the finger, I'm right-swipin' on Tinder
My wrist look like if s winter, bitch
You lost a winner

Don't cry, don't beg
Don't cry, don't beg for me
Don't cry, don't beg
Don't cry, don't beg for me

'Cause I'm bigger, better
Brighter, higher
Wiser, harder
Stronger, no longer yours
No, no, no longer yours
