

Friday night, my dress tight, you're surprised
You doin' you, I'm doin' dirt too
Hair-part like Moses, smell like roses
You doin' you, I'm doin' dirt too
My high heels creek, makin' you peek
You doin' you, I'm doin' dirt too
Tell yourself that it's the marijuana, just paranoia
You doin' you, I'm doin' dirt too

You got a pep in your step, you ain't in my bed
So who is she?
Yeah, you smile all the time, jokes ain't mine
She must be funny
Well the jokes on you, cause I'm out laughin' with someone else
While you're together, doin' whatever, not by myself

You doin' you, I'm doin' dirt too
Do you, I do me, you do her, I do dirt, it don't hurt
You doin' you, I'm doin' dirt too
You freak out, I'm freakin', I'm free and you feel it, I'm fleein'
You doin' you, I'm doin' dirt too
You call me, I screen it, I'm creepin', I call you, you're deep in
You doin' you, I'm doin' dirt too
You flirt and I flirt, it's over, it's clear that we're over

In the mornin', I walk in and you're yawnin'
You doin' you, I'm doin' dirt too
Ask me where I've been, I been with my friends
You doin' you, I'm doin' dirt too
Uh, you know it's all I can see in my eyes
You doin' you, I'm doin' dirt too
You show despair, but I don't care

You got a pep in your step, you ain't in my bed
So who is she?
Yeah, you smile all the time, jokes ain't mine
She must be funny
The jokes on you, cause I'm out laughin' with someone else
While you're together, doin' whatever, not by myself

You doin' you, I'm doin' dirt too
Do you, I do me, you do her, I do dirt, it don't hurt
You doin' you, I'm doin' dirt too
You freak out, I'm freakin', I'm free and you feel it, I'm fleein'
You doin' you, I'm doin' dirt too
You call me, I screen it, I'm creepin', I call you, you're deep in
You doin' you, I'm doin' dirt too
You flirt and I flirt, it's over, it's clear that we're over

You doin' you, I'm doin' dirt too
Dirt too, dirt too
Yep, yep, yep
