

Go-Go Girl

RAY BLK

Go go girl go go get it
U earned that money spend it
Sexy and independent
Don't matter if they offended
Go go girl go go get it
You're a baddie bad, don't forget it
Don't matter if they offended
So go girl go go get it

Bands expand
Need a big safe
Make room
On the big stage
Racks on racks
Yeah that's big bank
Pour it up
Fill it like a tank

I know I got what they want
Drip chocolate all on they tongue
Thicc in the back and the front
From the back to the front, I make em say

Go go girl go go get it
U earned that money spend it
Sexy and independent
Don't matter if they offended
Go go girl go go get it
You're a baddie bad, don't forget it
Don't matter if they offended
Go girl go go get it

Fuck a nigga
I keep plenty
I got no time to be friendly
Savage moves
In savage fenty
I'm the subject
To their envy
Skin browner than this Henny
Ride him out like a Bentley
I'm most wanted
Come and get me

Fuck a nigga
I keep plenty
I got no time to be friendly
Savage moves
In savage fenty
I'm the subject
To their envy
Skin browner than this Henny
Ride him out like a Bentley
I'm most wanted
Come and get me
Lemme flaunt it lemme flaunt it

I know I got what they want
Drip chocolate all on they tongue
Thicc in the back and the front
The back and the front, I make em say

Go go girl go go get it
U earned that money spend it
Sexy and independent
Don't matter if they offended
Go go girl go go get it
You're a baddie bad, don't forget it
Don't matter if they offended
So go girl go go get it
