LOVE.

RAY BLK

Hi, this is RAY BLK and you are watching LiveBible presents: acoustic room
This is "Kendrick Lamar - LOVE."

Give me a run for my money
There is nobody, no one to outrun me
So give me a run for my money
Sippin' bubbly, livin' lovely, feelin' lovely
Just love me
Just love me, just love me, just love, love me
Just love me, just love me

If I didn't ride blade on curb, would you still love me?
If I minimized my net-worth, would you still love me?
Keep it a hundred, I'd rather you trust me than to love me
Keep it a whole one hund': don't got you, I got nothin'

I got somethin', hol' up
We gon' function, no assumptions
Feelin' like Tyson with it
Knock it out twice, I'm with it
Only for the night, I'm kiddin'
Only for life, yeah, only for life, yeah
Only for life, let's get it
Hit that shoulder lean
I know what's comin' over me
Backstroke overseas
I know what you need
Already on ten, all money come in
This feeling go out, this feeling don't drought
This party won't end, no

If I didn't ride blade on curb, would you still love me?
If I minimized my net-worth, would you still love me?
Keep it a hundred, I'd rather you trust me than to love me
Keep it a whole one hund': don't got you, I got nothin'

Give me a run for my money
There is nobody, no one to outrun me
So give me a run for my money
Sippin' bubbly, livin' lovely, livin' lovely
Just love me
Just love me, just love me, just love, love me
Just love me, just love me

Say they love me, they miss it now
People change and it funny how
When they seein' you elevate
You gravitate it but don't hold you down
Tell me, baby, I'm way up
Sorry that I can't lay up
Always workin', no one's hiding
I'm just hoping you stay up
Skrt, skrt, through the red light
[?] what you like
You been so patient
I swear that it's on site
Told you that I'm on the way

I need your blessin' today
No time to wait
Told you that I'm on the way
I'm 'bout an exit away, yep

If I didn't ride blade on curb, would you still love me?
If I minimized my net-worth, would you still love me?
Keep it a hundred, I'd rather you trust me than to love me
Keep it a whole one hund': don't got you, I got nothin'

Give me a run for my money
There is nobody, no one to outrun me
So give me a run for my money
Sippin' bubbly, livin' lovely, feelin' lovely
Just love me
Just love me, just love me, just love, love me
Just love me, just love me

Give me a run for my money
There is nobody, no one to outrun me
So give me a run for my money
Sippin' bubbly, livin' lovely, livin' lovely
