

Run

RAY BLK

Look at me. You aren't afraid of a woman who has never seen the sun since before you were born?

No ma

Then come closer

Run, run run

Run, run, run

I'm not the girl you thought I was

I'm sorry you fell in love

My flesh overpowered me

Please apologize to your family

I'm stronger than I was

I guess it's just because

You're amazing

But you deserve the best

I wish you happiness, yes

Run, run, run

Fast as you can

You're free, from your dungeon

I was wrong

And there's no more to say

Carry on, don't cry for me, babe

Chance exchange a year ago

And that's how the story goes

Three phone calls, and a Skype chat later

Misled, if it makes it any better

You were always in my head

I don't expect your forgiveness

But I repent, Lord is my witness

So, run, run run

Fast as you can

You're free, from your dungeon

I was wrong

And there's no more to say

Carry on, don't cry for me, babe

I have been bent and broken

But I hope into a better shape

Oh-oh-oh, he thinks I'm real

(He thinks I'm real)

He thinks I'm real

Oh, if you knew better

Oh-oh-oh, a good girl gone bad

(Good girl gone bad)

A good girl gone bad

Hope I don't make you bitter

Oh-oh-oh, he thinks I'm real

(He thinks I'm real)

He thinks I'm real

Oh, if you knew better

Oh-oh-oh, a good girl gone bad

(Good girl gone bad)

A good girl gone bad
Hope I don't make you bitter
