

Smoke

RAY BLK

Give me the love
That's not enough
I need respect
You need to add another zero on my cheque
Pay me my dues
Pay me in jewels
I'm what you need

Do not compare
Me I'm the best

It's all about us
It's all about us
My circle we certified
Your team lookin suss

We sippin and we medicated
Ahh
We dripping on em every night
Yeah
The haters can't believe I made
It's on sight
So you better know

They don't really want no smoke
Cause they ain't got it like me
Yeah my niggas packing on the low
So don't be starting no beef
Eating so good and it shows
Fuck it don't need a diet
IM Full figure, 6 figures, get ya nigga
Get the picture
Ooo it's a look
Get the lens

I did it
I did it, you did it, did it like who though
It's blizzy the blizzard came with the new flow
I'm running this game they calling me u bolt
Times up, hublot

Instagram bitches still following the leader
New school niggas, fuck the clout get your heat up
Break down
Big rings
Big chains from a distance
Big boss
Big things

True say
Nobody did it like you ray
They probably wishing they you ray
Can't walk a mile in my shoes ay
My shoes ay

They don't really want no smoke
Cause they ain't got it like me

Yeah my niggas packing on the low
So don't be starting no beef
Eating so good and it shows
Fuck it don't need a diet
IM Full figure, 6 figures, get ya nigga
Get the picture
Ooo it's a look
Get the lens

Whole lot of me's these days. Whole lot of z's in the breeze these days. We just get loving barely speak these days. Promise that money never change the se ways. Shit strange these days. I keep the lights on. I know they watching plotting my down fall. Need all the credit I can account for. They Pay atte ntion there ain't no encore I know they want more. I just got married to gam e, imma let it ring if it ain't about the cake. Ray told me no body else in your lane. I just hit em with the skrrt cause I know these niggas scared.
