

Behold

Ray Boltz

Behold the cross that Jesus bore
Behold the crown of thorns He wore
Behold the price that Jesus paid
The glorious sacrifice that He made

Behold, oh, behold
Jesus Christ the Lord
Behold, He is the one
That we adore

Behold the tomb where Jesus lay
Behold the stone
It's been rolled away
Behold His resurrection power
He lives again, He lives this hour

Behold a world in slumber lies
And then thunder fills the skies
An angel shouts
A trumpet sounds
The saints of God are glory bound

And we adore You, Lord
And we adore Your name
And we lift up our hearts in praise
