

We Will Stand

Ray Boltz

Sometimes it's hard for me to understand
Why we pull away
From each other so easily
Even though we're all
Walking the same road
Yet we build dividing walls between
Our brothers and ourselves
But I, I don't care
What label you may wear
If you believe in Jesus
You belong with me
The bond we share is all I care to see
And we'll change the world forever
If you will join with me
Join and sing, sing

You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
So long as there is love
We will stand

The day will come
When we will be as one
And with a mighty voice together
We will proclaim
That Jesus, Jesus is King
It will echo through the earth
It will shake the nations
And the world will see
See that

You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
So long as there is love
We will stand

Take me by the hand
Join with me
Join and see, yeah

You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
So long as there is love
We will stand
