

All I Ever Need Is You

Ray Charles

Sometimes when I'm sad and all alone
Yeah, just like a child without a home
Oh, the love you give me keeps me hangin' on
Oh honey, all I ever need is you

Girl, you're my first love, you're my last
Yeah, you're my future, you're my past
Hey hey now, and loving you is all I ask
Oh darling, all I ever need is you

Winters come and they go
And we watch the melting snow
Sure as summer follows spring, all the things you do
Gives me a reason to build my world around you

Some men follow rainbows, I am told
Yeah, some men search for silver, some for gold
Oh girl, but I have found my treasure in your soul
Oh, all I ever need is you, girl

Without love, I'd never find a way
No no, through the ups and downs of every day
Hey hey now, I won't sleep at night until you say
"Oh darling, all I ever need is you"

Some men follow rainbows, I am told
Yeah, some men search for silver, some for gold
Oh, but I have found my treasure in your soul
Mhm, all I ever need is you, girl

One more thing; without love, I'd never find a way
Through the ups and downs of every day
Hey hey now, I won't sleep at night until you say
"Oh honey, all I ever need is you"
Mhm, all I never need is you
Ah, all I never need is you
Hey hey

All I ever need is you-ooh-ooh-ah-ooh
Mm, mm, ah, sing it to your mama now
Ooh love, what you tryna do to me?
Ooh, ah
