

Don't You Love Me Anymore?

Ray Charles

Hey baby
Now, something's wrong, won't you tell me?
Where's the sparkle that filled your eyes?
Hey, don't you love me anymore?

Now baby, now I can see
That you've been slipping away from me
And once you promised me no goodbyes
Hey, don't you love me anymore? Oh, baby

The night used to smile so sweetly
And we had our own forever song
But now nothing is the same
Was our love all a game?
'Cause forever didn't last too long
Where, where did we go wrong?

I wanna know
Were they are lies that you told me?
Well, why don't you ever wanna hold me no more?
Girl, don't you love me anymore?

The night used to smile so sweetly
And we had our own forever song
But now nothing is the same
Hey, was our love all a game?
'Cause forever didn't last too long
Where, where did we go wrong?

Please come back to me
And we'll be just like we used to be
Say, can't we give it just one more try?
Girl, don't you love me anymore?

Girl, can't we give it just one more try?
Oh baby, I wanna know
Don't you love me anymore?
Don't you love me no more?
