

From the Heart

Ray Charles

i know you've heard these words a hundred of the time before
and you've been hurting so your heart... (sorry i don't know)
love broke your heart and broke your life
look in my eyes you'll see a love...
tender and strong enough for you
you can trust this love...

from the heart i'm giving you everything everything
from the heart i promise you that i'll be there
i'll be there to love you
from the heart i'm showing you're all i feel all i feel yeah fr
om the heart from the heart
i will protect you and respect you and give all you need
and when you reach for love you only need to reach for me
these arms will never let you down
that's day...
i offer you to every storm
i'll keep you safe i'll keep you warm
and you had no doubt
you're the one i'm living for

i'll provide the love you need just trust my touch believe in me
i'll never make you cry
keep this all i got with all i got inside
