

## Funny (But I Still Love You)

Ray Charles

My dear sweetheart, I'm writing you Aguarde...  
Just a few lines to tell you that I'm low  
Oh, baby, my baby  
Funny, but I still love you

You went away, didn't say goodbye  
But I still love you, Lord, I wonder why  
Oh, baby, my baby  
Funny, but I still love you

I don't know who was right or who was wrong  
All I know as I'm so tired, so tired of being alone  
But if you care, like I care  
Catch the next stream line, bring yourself back here  
Oh, baby, my baby  
Funny, but I still love you

I miss your lovin'  
You know what I mean  
Remember how you used to make me scream  
Oh, baby, my baby  
It's funny, but I still love you
