Get on the Right Track Baby, yeah
Come on home and treat me wrong again

R: Get on the Right Track Baby...

1. Yeah, I've been so blue and lonely
I've tried both night and day
But I'm begging you just one more time
Come back if you don't stay

R: Get on the Right Track Baby...

2. Yeah, I know you know I love you
but yet you broke my heart in two
But it's because I love you
That I don't care what you do

R: Get on the Right Track Baby...

solo sax

3. Well, I'm begging you one more time, baby
Down on bended knees
Please, please come back home
And give my poor heart ease

R: Get on the Right Track Baby...

That's what I say know
